

# Magic Light – Mirafior®

Glaze Lighting Effects

**Description:** Decorative covering with lighting effects when struck by Wood's light or other luminous sources. It is able to reflect exceptional lighting effects even in absolute dark. MagicLight Mirafior is a simple application of a transparent glaze over a painted wall.

**Base Coat:** Gummiflex S.5000, this product will help in achieving higher light reflection. Water eggshell and satin paint could be also used preferably Colors Co.sheen.

**Gallery of Colors:** 33 colors , special matches could be supplied upon request.

**Hints:** It is always a good idea to practice on a 2'x2' sample board.

**Substrates:** Could be applied on all interior and exterior surfaces (wood metal, plaster...).
