

SCULPTURAL™

Sculptural™ walls are constructed from a series of precast panels that are bonded to the substrate. Some of the designs are based on a single panel that creates a repeating pattern; others are made from a sequence of different panels that can be integrated together in many different ways to create a totally unique sculpted wall. 12 sculptural designs are available to choose from.

تتكون سكلبتورال من ألواح تركيب لتعطي منظر الحجر المنحوت. تتضمن مجموعة الواح سكلبتورال ١٢ شكلاً مختلفاً تركيب بطرق مختلفة لتعطيك ديكوراً فريداً.
